Senior Class Parents
Arcola, Illinois

Dear Parents:

We, the Class of 1956, dedicate this Torch to you, PARENTS. We hope this will express in a small way our deepest and sincerest appreciation for all the love, guidance, and devotion you have given us throughout our lives.

Whenever the going was hardest, trouble was on our door-step, problems seemed unsolvable, you, PARENTS, always stood by us and helped bring us back to our normal life. Also, you shared our joys, happiness, and success.

We want to share our most important achievement in high school with you. This is our final "thank you" for our high school days. We only hope we can be as understanding and helpful as you have been to us.

ADMINISTRATION

Our Superintendent

Our school was erected by the citizens of this district as evidence of their faith in the American system of public education. It was dedicated to the development of you as students and to their understanding of the ideals and practices of American citizenship, morality, and righteousness. May you return the cost to this community many fold by being a well educated and responsible citizenry for the future.

For Editor

Free people need to know how to compete with each other successfully in business, industry or professions in order to earn a living. They must also know how to co-operate with one another in community activities to be successful contributing citizens.

Students learn individual skills through study and practice. They learn the social skills of how to co-operate with one another, also through practice in group activities such as this publication effort.

We hope that the Arcola School System and community has given you sufficient training in both, so that you can compete successfully in earning your livelihood and co-operate successfully with your fellow human beings as contributing members of our free democratic society. Your future success in both areas will be a measure of our success as your teachers.

Congratulations to the Torch Staff and sponsor on your fine production.

SENIOR HISTORY

In early fall of 1952 Arcola High School was honored by the arrival of 49 green, spanking new, eager, intelligent, and curious Freshman. The pack was lead by: president, Dean Sanders; vice-president, Phyllis Vickroy; secretary, Dee Lindenmeyer; and treasurer, Denney Johnson. The pack was held in check by Mrs. Hanson, and Mr. Carpenter. Highlites of this introductory year included: Homecoming, when the first of four lousey floats was "Rocket to Victory," and Carol Bilbrey was our Queen Attendant; the semester exams, which we faced dreadfully and courageously; a bang-up party at the Mattoon Skating Rink; and a sizzling wiener roast.

In 1953 we returned with the newness worn off, and feeling quite cocky. President, Dean Sanders; vice-president, Jack Fishel; secretary, Phyllis Vickroy; treasurer, Denney Johnson; sponsors, Miss Ballein and Mr. Davis, were taking on quite a task in keeping this clan of 43 in order. Our float, "Flush Down the Oaks," was our 'ace in the hole.' We had another spine tingling party in the high school gym. Conclusion of this year placed us at the half-way point of our battle.

Next we were to undertake, perhaps, the most active year of our high school career. Leading us in these activities were: Dean Sanders, president; Jack Fishel, vice-president John VanVoorhis, secretary; co-treasurers, Phyllis Vickroy and Dee Lindenmeyer. Only 38 were left to undertake this second-half of our mission. Naturally, our Homecoming float was an underdog, but due to faulty weather conditions we didn't win anything. Our Queen Attendant was Gayle Evans. Our class rings, we all agreed, were exceptionally pretty and as practical as the deflated pocket-book they represented. Magazine sales presented a way in which to restore this deflation. This was probably our biggest money making project throughout high school. Our class play "Good Night Ladies," directed by Miss Whitson, was enjoyable to all the on-lookers and loads of good clean fun for the cast. The year was highlighted by the Junior-Senior Prom at the YMCA at Champaign-Urbana. This rang our 'register' to the tune of \$600.00, but we thought it was well worth its while.

In 1955, thirty-five seniors returned to finish their high school career. For our last year we chose: Jack Fishel, president; Dee Lindenmeyer, vice-president; Mary Key, secretary; Elby Wallace and Roger Foss, co-treasurers; as our officers. Our final float in the Homecoming parade followed the pattern of the first three, which won nothing. Homecoming Festivities were highlighted with the crowning of Wilma Key as Queen. Joann was our Senior Attendant. Our senior class play, "Coddled Egbert," was as original as the money it made. Mr. Stone was our director. We netted \$.22 PLUS from this production. For the remaining of the year we are saving our money to take a trip to the Ozarks. None of us are sure what is ahead of us, but we are eager and willing to find out.

CLASS PROPHECY

The Re-election of "Pie" Adams

Now we take you to Arcola on the morning of June 1st, 1988 for the re-election of Mayor Jim "Pie" Adams who has held this lofty position for 32 straight years. All things are as they will be then except "You Get To Be There."

It's a foggy morning and it looks as if Mayor Pie Adams faces stiff opposition from "Russian Paul" Rippey and "Siberian Eli" Wallace who are running on the Communist ticket, while the peoples choice, "Honest Ron" Uphoff and "Blackie Dan" Sanders are running on the Amerikano ticket. One of the unusual aspects of this election is a woman candidate, "Luscious Liz" Carroll who is the Carson's candidate.

The fog is beginning to lift now and the people are beginning to congregate at the polls. We now take you to the south side of the square where news correspondent Barney "Cronkite" Bradford is waiting for the arrival of some of the more prominent dignataries present at the election. Come in "Cronk."

Here comes "Romantic Ed" Ashley who spearheads the local chapter of the "Lonely Hearts" club as president, but I see that "Romantic Ed" is busy checking out new prospects now so we won't bother him. "Arizona Jack" Barnes just flew in from London where he completed his 24th channel swim. He is accompanied by his wife, Joan "Chadwick" Hawkey who is training to swim the Mississippi the hard way.

I see Larry Cox coming our way now. Big Larry is manager of the Filson Flats Speedway. There's three of his top drivers with him, "Wild Don" Vandever, "Roll-em" Roger Foss and "Speed Shift" Richard Prout. They definitely will vote for the Amerikano Party as Ron and Blackie Dan are favorite sons of the area.

Let's switch over now to the north side of the square where the announcer who doesn't give a "hoot", Dee "Lucioffi" Lindenmeyer is waiting. Come in "henpecked." There's a lot of excitement over there as "Frenchy" Drake and her "Phoenix City" Five are there. She is definitely leaning toward "Luscious Liz" and the Cacti's. Let's hear from the members of her troupe. How you gonna vote, Tantalizing Helen Dague? She says, "Pie Jims my man." Well, how about you Bubbles Barbara Curry. She also opines that she'll stick with "Luscious Liz" and the Cacti's. What do you say "Big Barbara" Harris. "I like Honest Ron and Blackie Dan and the Amerikanos. Here's Linda Thompson and "Malicious" Mary Key who opine that they're gonna stand for "Russian Paul" and "Siberian Eli" and all the comrades.

Folks, here's a real treat, here comes Melvin "Coon Dog" Janes, the famous big game hunter from the banks of the Kaskaskia River which runs deep in the Chesterville Jungle. Another big deal, here comes "Lumberin Jim" Vogel who's been lumberin' a lot of lumber up in the lumber lands of the Yukon. Well, there he goes, lumbering off. Oh, by the way gang, Jim's a lumberman. Hey gang, here's "Swampy Carl" Hudson who has just returned from Viet Nam in British Guiana where he has been wrestling alligators for the past few months. Wahoo, it's "Dirty Bill" Young, foremost matador of Mexico. (Both Swampy and Dirty Bill lost a few fights and a few limbs along the way.) Seems to be a big commotion down the street as the autograph hounds are seeking autographs from Curley Johnson, president of the Mercury Corporation, who has his secretary, Phyllis Vickroy with him. Also with him is "Greasy Ron" Gibson, Curley's top A#1 mechanic.

Here's a late news bulletin just handed me. Let's see, it seems that Jack "Strongarm" Fishel has just accepted the position of director of the "Armstrong Hour", a top TV program originating out of Tuscola. Who's this hunkering over here. It's "Dancing Dan" Curry. It is true you now own 85% of the General Electric stock? Well, good for you Dan. Being interviewed now is an interesting personality, "Musical Phyl" Younger. She now leads the "Bang It Up Institute Of Higher Music." What a treat gang, here comes Queen Willie Key, who is the fiance of Mayor Jim "Pie" Adams. Wonder how she is going to vote.

Hold on folks, there goes Sonja "Boone" Wirth. After 40 years of waiting, she finally got to meet Pat Boone. John "Harry" VanVoorhis is coming down the street. He is now the head of the Arcola Ditch-diggers Association. He will vote for "Pie" Adams, because he gives "Harry" higher wages.

The fog is beginning to settle now and the people are anxiously awaiting for the election results. Here they come now. Odds Bodkins, "Pie" Jim did it again, triumphing over the communists, amerikanos and the cactis.

SENIOR POEM

Jim Adams is like all the rest,
Doesn't like to take a test.
He has always tried his very best,
If he didn't know, he's always guessed.

Edward Ashley is a likeable fellow,
But he liked to make Miss Ballein bellow.
He has been a friend of us all.
He's seen quite often in the hall.

Jack Barnes is rough and ready.
For several years he has gone steady.
When it comes to football, he's got fight
And always brings the team through right.

Byron Bradford always made the field goal kick,
In his work he's never licked.
He goes with a girl named Jean,
On others he will never lean.

"Liz" Carroll, with her lock of peroxide hair,
Takes much kidding but does not care.
She and Ronnie makes quite a pair!
To break them up we shouldn't dare.

SUN
BATHING?

Larry Cox who is all brawn and brain,
When he leaves school, it'll never be the same.
Sometimes he is quite the clown.
Occasionally he is seen in a southern town.

Francis Crist has married and quit.
In our classrooms she'll no longer sit.
When graduation time is here,
We all hope that again she'll appear.

There's No Place Like
HOME

Barbara Curry is really sweet.
She makes average grades in class.
Everyone knows she would make
A certain lad a very nice "lass."

Danny Curry, we all know,
At getting married, he's not slow.
His happiness will have no end.
Most everyone calls him a friend.

Helen Dague is a cute little lass.
Liked by one and all of our class.
She plays well in our school band,
And always willing to lend a hand.

Vera Drake who is a very smart lass,
Gets very good grades in her History class.
While she's never been guilty of stressin',
She always keeps the boys a guessin'.

Jack Fishel is the sportsman type.
A twin from Tuscola he does like.
His future is quite plain to see.
A doc like his dad he'll surely be.

Assistant class treasurer is Roger Foss.
 Around this school, nobody's his boss.
 He's a tall, dark-haired, blue-eyed boy.
 Having a good time is his greatest joy.

MINOR
DAMAGE!

Ronnie Gibson doesn't believe in going steady,
 At least, not until he is good and ready.
 But, we all know when he's buried
 He will long have been married.

Barbara Harris really enjoys
 The friendship of the Arcola boys.
 Barbara is a whiz in typing.
 Dancing is to her liking.

DANCE!

Joann Hawkey is a girl dependable.
 Will do anything asked, if physically able.
 To all the boys she turns her back,
 That is, to all except her Jack.

Carl Hudson is quite a guy.
 When he meets a girl he passes by,
 Because Lila is his steady.
 When asked to help, he's always ready.

Melvin Janes from Chesterville,
 Sometimes noisy, sometimes still.
 What does he do in History class?
 Does he sit and wonder if he'll pass?

Denney Johnson's sometimes a menace.
 He goes with a girl by the name of Janice.
 He may be short, but he's not shy.
 Everyone thinks he's a remarkable guy.

Mary Key, a straight "A" scholar
 You'll seldom hear her shout or holler.
 To our class she's sure a credit.
 She's lots of fun, there's no doubt of it.

Wilma Key holds the title "Queen."
 Down at Mattoon she's often seen.
 The most popular girl of '56.
 Some Junior girl should learn her tricks.

WORKING
HARD?

To Dee Lindenmeyer we all owe a lot.
 He keeps our class really on top.
 We all agree that he's not slow,
 At football, basketball, or courting "Jo."

Dick Prout has a world of fun.
 He's got a smile for everyone.
 Miss Ballein, his favorite teacher,
 Thinks that Dick is quite some creature.

One more in our class is Paul Rippey.
 At playing football he sure was zippy
 He's very good at Math, knows Mr. Dunn.
 Can anyone guess what he'll become?

Dean Sanders is as "cocky" as can be.
 An all round athlete is he.
 He drives his car at quite a speed.
 More nights in a week is his greatest need.

Linda Thompson, one of our clan,
Has already branded her man.
We all hope good for her future plans.
Probably farming on Bethel's land.

JAKE

Ron Uphoff, who in history is a whiz,
Is sweet on a girl named "Liz."
While in Ag he gets straight "A's."
On the football field, with all his heart he plays.

Don Vandever is quite some guy.
We all know that he's not shy.
In football he was really good.
We all know he'll pass, at least he should.

SINGERS?

John VanVoorhis is better known as "Harry."
To sing, he sounds something like Perry.
But to run he could do much better,
So in track he earned a letter.

Phyllis Vickroy a tall brunette,
Who doesn't sit around and fret.
Is it her manners or her poise
That makes her popular with all the boys?

In bookkeeping class Jim Vogel's a whiz.
He's smarter than the rest, that is.
He goes for band and chorus and such.
For our senior class he has done much.

Elby Wallace is our football captain.
He played with lots of will.
He helped our team go very far.
To victories that were real.

Sonja Wirth doesn't miss a thing.
Her sayings has a large category.
She collects most things just for gossip,
But for school work---well that's quite a story.

Bill Young who is not very quiet,
Used to make his classes a riot.
A green "Ford" he does drive.
Toward a high goal he will try to strive.

Phyllis Younger is the quiet type.
You'll never hear her complain or gripe.
She helped to make the classplay a scream.
She has no time to sit and dream.

CLASS SONG

(Tune: Yellow Rose Of Texas)

Oh, this dear old school has been a place
where we have learned a lot,
Through summer time and winter
we've struggled on and on.
We have had such fun together
it's a shame we'll have to part,
These dear old halls won't be the same
after we have gone.
Oh, the championships that we've won,
the memories that we have,
Of dear Arcola High School
and all the people there.
We'll remember that we've learned here
through all the years to come,
And we hope that all the world will say
that we've a job well done.

CLASS

WILL

KNOWN ALL MEN BY THESE PRESENTS, that we, the Committee for the Class of 1956, of Arcola Community High School, County of Douglas and State of Illinois being of unsound mind and poor memory and desiring to make disposition of their property to take effect at their Entrance to Jacksonville, DO HEREBY MAKE THIS, our LAST WILL AND TESTAMENT, revoking all former Wills and Testaments by us heretofore made.

Jim Adams wills his ambitions to fly to Tom Romine, who has a good start in his '55 Plymouth.

HISTORY

Our officers for our Freshman year were: Lyle Johns, president; Norman Strader, vice-president; and Sharon Bennett, secretary-treasurer. Georgia Herrington and Ed Harshbarger served as student council representatives. Miss Olson and Coach Baker were our advisors. Pink and black were our colors and a pink rose was our class flower. Connie Johns was queen attendant; Doug Mullikin, escort. Our Homecoming Float won second prize.

This year Lyle Johns, president; Norman Strader, vice-president; Dorothy Wood, secretary; and Jim Clark, treasurer; are trying to keep us in the running. Mr. Stone and Mrs. Shields are our advisors. At Homecoming we chose Shirley McNary as queen attendant and Lyle Johns as escort. Our float won second prize again this year. We are at the half-way point in our high school career, and are looking forward to the next two years.

HISTORY

September, 1955, sixty-one 'green' Freshman started their high school career. After the first few days of adjusting ourselves to the routine of changing classes, we are now doing fine. Our class officers are: president, Danny Strader; vice-president, Arthur Beazley; secretary-treasurer, Rose Mary Soupis. Mr. Dunn and Miss Newmann are our advisors; Jo Elaine Hoots and Bob Waldron, student council representatives. Red and gold were chosen as class colors. Barbara Biggs was Queen Attendant and Danny Strader her escort. Our Homecoming float didn't win a prize, but we enjoyed making it. We are looking forward to the year of 1956, when we will become 'silly' sophomores.
